

BEYOND
THE FOG

City & Country Experience

Begin the day with breakfast overlooking breathtaking views of the ocean.

After breakfast drive on a scenic road, you will see one beautiful ocean vista after the other. Then you will go on a walking tour with an expert who knows the History of San Francisco and the history of the local plants, animals and trees.

After lunch a second guide will join the group and share with you more history of a very famous San Francisco Neighborhood.

A third will join you in order to drill down and get very specific about the history of a few of our iconic locations.

Finish your day in a location at the top of a hill taking in the views, and sipping on an original San Francisco Cocktail.

Duration 8 hours

Lunch & transportation included.

Beyond The Fog Experts at making the impossible possible.
