

BEYOND
THE FOG

The Essential San Francisco

At the center of every great city is the seat of government. In San Francisco, that is City Hall, arguably one of the most beautiful buildings in the world. Built during the Gilded Age, San Francisco's City Hall has been fully restored to its original luster and is a shining example of opulent Beaux Art architecture. The only person who knows City Hall in and out, and will let you in on the little-known stories of this amazing building giving you an experience that is unlike any you have ever experienced. You will leave an expert on this fascinating landmark that is truly at the heart of San Francisco.

Following the tour, you will have lunch in an amazing outdoor location, after lunch, you will explore the pride of the city with someone who will share with you endless information. You and your guests will finish your day next to a peaceful and elegant body of water that has been a retreat for San Franciscans since 1893. Here, you will enjoy an exclusive after-hours reception with wine and refreshments.

Duration 6-8 hours

Total lunch & transportation included.
